CO-ORDINATING COMMITTEEEXPORT OF COMPUTERS TO POLANDMemorandum by the United Kingdom Delegation

The United Kingdom authorities have been asked to approve the export to Poland of the following:-

	Value	I.L. Item No.
(a) One Analogue Computer Model TY.864	£ 4,200	1565
(b) One Space '30' Computer	£ 20,500	1565

2. The computers are required (a) for the Institute for Flow Machines, Gdansk, Poland to be used for educational purposes in connection with simulation of water turbines etc., and (b) by Varimex for Zaklady Asatowe Tarnow, Poland to be used in the Chemical Research Laboratories for the simulation of chemical plant processes and control systems.

3. Her Majesty's Government wish to authorise the sale of these computers under the special Polish exceptions procedure and the usual assurances against re-export will be obtained. Exports of similar computers under the Polish exceptions procedure were authorised by the Committee (a) in COCOM Document 3617 and (b) in COCOM Document 3802. It is hoped that views of member Governments will be available by September 26.
